

# GRAPHIC DESIGNER - ART DIRECTOR

## PROFILE

I am a Graphic Designer and Digital Art Director with more than three years of experience. Born in Moscow, I studied at the Complutense University in Madrid, where I currently live and work. I adapt with equal ease to the demanding dynamics of an office and freelance work.

**My projects speak for me. The most interesting can be seen in my digital portfolio.**

I AM GOOD AT

**ILLUSTRATION  
ANIMATION  
DESIGN FOR SMM  
CARTELERY**

Since I was little I have had a great attraction for illustration and crafts. However, I like to research and experiment, which has led me to specialize in digital media and SMM and to become a passionate researcher of the different techniques in **motion**.
